Julian McGill

Director at Glenauk Economics

Julian McGill is the Managing Director and Founder of Glenauk Economics. Glenauk is an advisory firm focusing on the economics of crops, agricultural commodities and their value chains.

Based in Kuala Lumpur, Dr McGill's main focus is on palm oil and the lauric oils as well as their many downstream derivatives in food, specialty fats, feed, biofuels and oleochemicals.

Prior to founding Glenauk Economics, Dr McGill started his career with LMC International where he established the Kuala Lumpur office.

Dr McGill holds an M.A. (Honours) in Economics from the University of Edinburgh and completed his PhD at the University of Oxford.
