# Kamalrudin Mohamed Salleh

Group Leader for the Market Development Research Team- MPOB

He has over 20 years of experience in economic research and market development. He has been a lecturer of economics at the National University of Malaysia (UKM) for over a decade, and since 2015 he has served as Head of the Market Development Group in the Techno-Economic Research Unit of the Malaysian Palm Oil Board (MPOB).

In recent years, he has held key roles as Head of the Policy and Regulations Cluster at the MPOB-UKM Endowment Chair (since 2022) and as Leader of the Socioeconomic Research Program in the MPOB's Sustainable Development Focus Area (2021).

He holds a Bachelor's and Master's degree in Economics from the National University of Malaysia (UKM). His work focuses on policy analysis, market development, and socioeconomic research applied to the palm oil sector, contributing to the strengthening of sustainable and competitive strategies.
