James MacDonald

Professor and Graduate Committee Chair Animal Science University of Nebraska-Lincoln

Dr. James C. MacDonald is a Professor and Chair of the Graduate Committee in the Department of Animal Science at the University of Nebraska-Lincoln since 2023. He joined the department in 2012 as an Associate Professor and currently serves as a full Professor. He holds a Ph.D. (2006) and an M.S. (2002) from the University of Nebraska-Lincoln, as well as a B.S. (1999) from North Dakota State University.

His teaching responsibilities include courses such as Beef Industry Scholars, Advanced Animal Nutrition, Beef Feedlot Management Internship, Animal Science Graduate Seminar, Feedlot Nutrition and Management, and Forage Evaluation. His research focuses on nutrition and management strategies across segments of beef production, with particular emphasis on the backgrounding and finishing phases.
